PREFACE

1713541

Mrs. White intended to include many more descendants of Richard Wright, Sr. in her book but found the cost quite prohibitive in wartime. In the process of having the material cut, many errors occurred of which she had no knowledge until the book was off the press. She was ill at that time and I understand no proof reading was done. I have wanted to collaborate with her on these corrections but she has been ill much of the time since 1943.

Having much of the original material, I am compiling these corrections and a few additions after requests from the D.A.R. Library in Washington, D.C. and the Indiana State Library.

I trust they will be of some value in clearing up the most obvious mistakes and prepare the way for future research to fill in the many things we do not know about Richard Wright, Sr.'s ancestry and posterity.

Page 9;line 13:(Addie Wright Hepler. Parenthesis was misplaced. It should be after "Silver Valley Cross Roads,N.C."instead of after"366" on line 19, which should have a period.

Page 9;Line 14:"Silver Valley Cross Roads is on U.S.Highway No.64,about ten miles east of Lexington,North Carolina."

Page 9: At bottom of page after list of children,it should be noted that Josiah Johnson Jr. told Grant Wright years ago that old Richard Wright,Sr. had four daughters. North Carolina descendants still living near the old plantation,also say he had daughters.

Page 10:Bottom of page,"Evins Wright" signed for probate of will, not "Evans".

Pages 9, 11, 107 and 112,the name "Ann" should be given as the only name found on any official record as the wife of Richard Wright,Sr. We believe the "Jane" from early D.A.R.records,came from the 1790 North Carolina census,which gave a widow,Jane Wright, but she was not in the right district for Richard's widow.

Page 11: line 14, the word "no" was omitted. It should read,"The 1840 census of Marion Co.,Indiana gives all these children but no Benjamin Wright."

Page 11: Lines 25 and 26 should read, "He lived to be 86 years old If the above stone was his." A tracing shows the death date to be "1837" instead of "1857", as copied by WPA or someone else for the Indiana State Library.

3-4 was omitted for Sarah Wright's number. Peter and Sarah (Wright) Zink's many descendants are given in detail in the ZINK FAMILY HISTORY published ca 1933.

Page 123:
5-1 Vanda Aldora Wiseman married Manson C.Shanks.
5-3 Anna Belle Wiseman married William Henry Shanks.
5-5 James Sherman Wiseman born 1864,died 1939.
5-4 Lew Allen and Dora Jane (Gilstrap) Wiseman,had two children:
6-1 Zella Maud Wiseman married Dayton C.Atkinson. They live at 2611 East 73rd St.,Chicago 49,Illinois.
6-2 Dr.HarryOswald Wiseman born 7-13-1894,died 4-1-1932.

3-5 For descendants of Ransom and Barbara (Wright) Johnson, see material on Johnson Family by Mary D.Stoops in the manuscript on Richard Wright,Jr. by Osee J.Knouf.

Page 124:
3-7 Catherine Wright married Samuel Hinds. They had eight children, six being omitted. They were:
4-1 Mary Hinds married John Ratts.
4-2 Francis Marion Hinds born 1827,married in 1852,Nancy A.Johnson,daughter of Jordan and Lavina (Wright) Johnson who were third cousins; also Lavina and Jordan were both third cousins of Francis Marion Hinds. Therefore,Francis and Nancy's children were descendants of old Richard Wright,Sr.thru three sons:Richard Jr.,Amos and Philburt. See History OF DOUGLAS CO., ILLINOIS for write-up of Francis Marion Hinds.
4-3 Philburt Wright Hinds born 1829 married Catherine Huffstutter. Two children.
4-4 Elizabeth C.Hinds married Daniel Smith. At least 3 children,probably more.
4-5 Delilah J.Hinds married John B.Markland.
4-6 James Pleasant Hinds married Sarah Eliza Fry. 5 children.
4-7 John Milton Hinds married Lauretta Fulp. 5 children.
4-8 Samuel Preston Hinds married Mary Williams.

3-8 Delilah Wright and Emmanuel Zink lived at Grand View,in Edgar Co.,Illinois many years and died there. For more detail on descendants see ZINK FAMILY HISTORY.

4-12 near bottom of page, should be Joe Lemuel Wright.

Page 125:
Prof.W.Wayne Smith passed away ca 1946 so I do not have access to his material for correction. However,there is an article on the Washington-Wright

line which covers this outline in Vol.IV,No.3 of Jan.1923 Tyler's QUARTERLY HISTORICAL AND GENEALOGICAL MAGAZINE. While much of this is given there, I could not find the Richard Wright which Prof.Smith thought was our Richard Wright,Sr. He is not named in Capt.John Wright's will.

Page 126:
Capt.John Wright married Elizabeth Darnell.

The theory on Richard Wright's ancestry - bottom of page 126 and top of page 127, was from Mrs.Hale Houts,Kansas City,Mo. We need more research on this line, and more proof that this New England Daniel Wright did go to Va.and North Carolina,since Curtis Wright says Daniel Wright and Eleanor Benton had only one child,Ruth Wright. Glastonbury INSCRIPTIONS, part of a book called WETHERSFIELD INSCRIPTIONS by Tillotson,published in 1899, gives on page 319, "Here lies interr'd/the Body of Mr./ ~~Danile-Wright,who-died-June/~~ Daniel Wright/ who died June/the 8th 1764/ aged 90 Years." These seem to be the same dates given for Daniel who is said to have gone to North Carolina. Did he go south, then return to New England when old?

Page 127:
Double line - further proof of no proof reading.

Page 136:
I do not have Sears material for corredtion. After "(A)Christian Sears ~~ma~~ married Catherine --------". the word WILL was omitted. It should read,"His will mentions his wife Hannah R.Sears." This was in 1843.

Page 150:
Mrs.White gave this correction: 3-8 Ollie Hazel married first, William May, in 1841. She was married the second time to Allan Chambers.
allen

Page 151:
The Hogland or Houghland seems somewhat mixed but ~~ya~~ I do not have data for correction.

Page 152:
First three lines have numbers mixed but are repeated more correctly in the next three lines, except that 3-8 Ollie Hazel first married William May.
